You are an inhabitant of the island of Aix. When your house has a power failure, you go to the only man who can fix the problem: Jacques Dufaux.

Mr. Dufaux is the only electrician on the island. His inhabitants overlook his eccentricities because Mr. Dufaux is a strange man. You don't care about that. You just want someone to fix your electric current. So you go to visit Jacques Dufaux. Unfortunately for you, it's his wife Yvonne who answers.

"What is it?"

"I'm sorry?" You ask the woman, surprised by her words.

"I don't have time to waste! What do you want?"

She's an old lady, but she's not very friendly!

"I want to see Mr. Dufaux." You say to Yvonne.

"Oh yeah? What do you want with my husband?"

"Why are you so aggressive?" You reply. "I didn't do anything wrong!"

"Because you might be one of them! Of those damned vultures that torment my husband."

"Vultures?"

"Treasure seekers! And journalists too. I HATE journalists."

"Treasure seekers?" You ask, curious. I didn't know that our island had a... "

"No, not here, but on the damn fort!" Yvonne exclaims. "You know, the one on TV."

"Fort Boyard."

"Yeah."

"I'm not looking for treasure. I just want to talk to your husband about an electrical problem. My house is down."

"Ah! Why didn't you say so before? Come on in, my husband can help you!"

Yvonne lets you into the house. You find it strange. Her husband is the source of all the gossip, but not her. The lady tells you which room her husband is in and she leaves you alone.

You go to Jacques Dufaux. When you arrive in front of him, you tell yourself that he isn't in his right mind. His eyes are vacant, and when you try to talk to him about your electricity problem, he rambles. Mr. Dufaux is as old as his wife.

"Sir, I really need your help."

"Shh, you idiot! Her will hear you!"

"Her"? Don't you mean 'she', for your wife Yvonne?"

"Nooo! Her, Her, HER!!! Her... She hurts me so much!"

"Mr. Dufaux, my house is out of electricity and..."

"Ahhh, my head! Her is hurting my head!"

Vous décidez de jouer le jeu. Après tout, fou ou pas, il est le seul qui peut réparer votre courant électrique.

"Her, go away! Leave him alone!"

"Ahhh..."

"Is she gone?"

"Yes. Oh, thank you, you saved my life!" Says Mr. Dufaux. "I would so like to kiss you!"

"Go ahead."

Jacques kisses you so passionately that you wonder if his mind is not confusing you with Yvonne. Then you tell him that your house is without electricity. Jacques is more than happy to help you. He goes to get his tools and you go together to your house.

In less than fifteen minutes, the electricity is back on. You want to pay Jacques, but he takes off his clothes.

"Mr. Dufaux, what are you doing?"

"This is a gift for you. You helped me fight off Her."

"You want to... sleep... with...?"

"YES!"

Jacques kisses you again. You say to yourself "why not?" As long as Yvonne doesn't know about it. You take off your clothes after Jacques has removed his lips from yours. Jacques kisses, licks and sucks on your nipples. Then his fingers and tongue offer pleasure to your sex. For your part, you put his cock in your mouth to give him oral sex. James puts his cock in your butt hole. You spend an intense moment together. After making love, you take a shower to wash yourself. Jacques does the same thing after you and he returns home to his wife. You hope that he will not say anything to Yvonne.
